Seminar Concept

I realise what the seminar is good for.

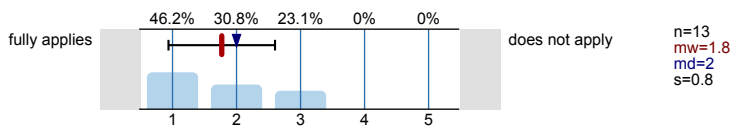

The topics chosen make sense.

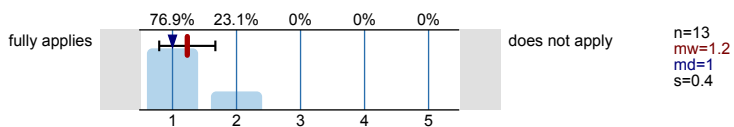

The topics match well.

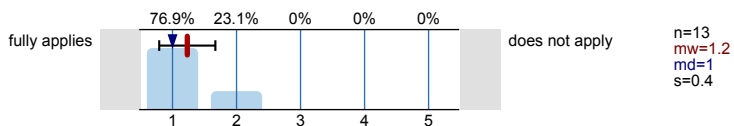

The topics are distributed among the participants in a fair manner.

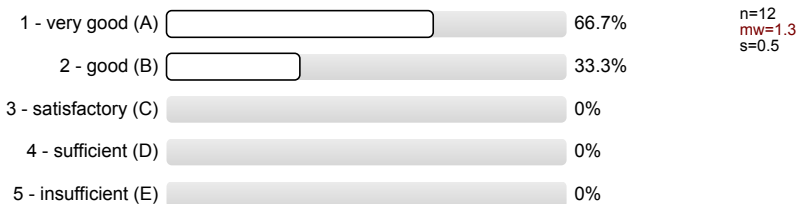

The expectations of the participants are clearly formulated.

I have the required basic knowledge (for comments see 8.1).

I would grade the seminar with:

Supervision during the Lecture and Elaboration

The supervisor ...

Presentation and Discussion

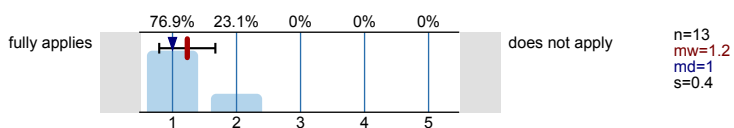

The time allocated for ...

Seminar Material

Material is provided for the class contents (hand-outs, scripts, bibliographies...).

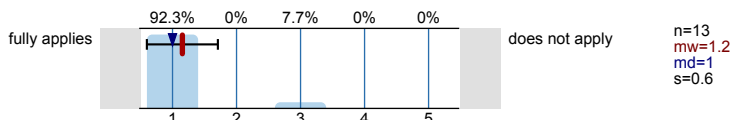

This material contributes to understanding the class contents.

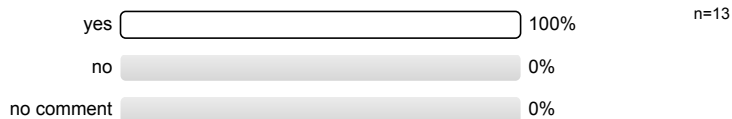

General Conditions

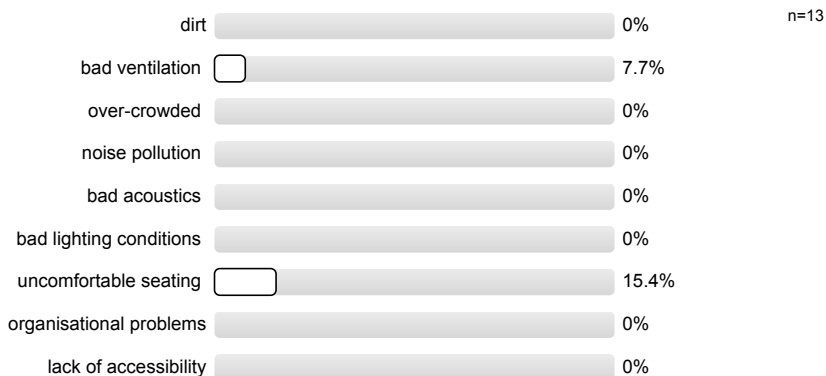

Appropriate media is available for the presentation.

The seminar has an adequate group size.

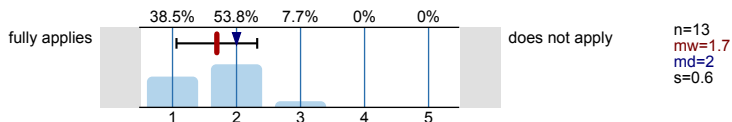

Are there any external conditions which impair you during or regarding the lecture (you may check several boxes and use 8.1 for more comments)?

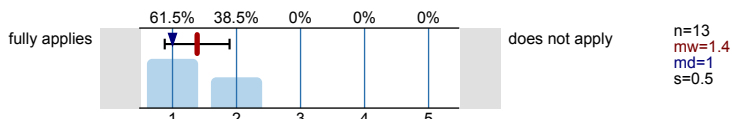

Personal Summary of Results

I have ...

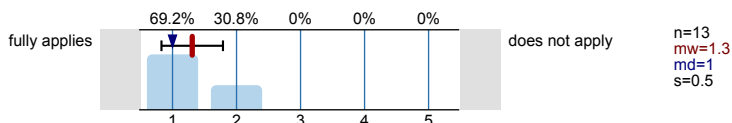

... learned to give a presentation.

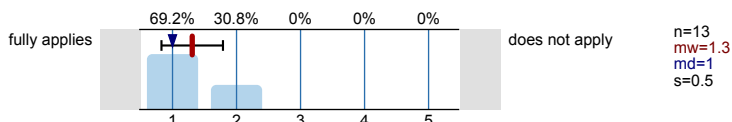

... learned to carry out independent scientific work.

... learned a lot as regards to contents and subject.

I enjoyed the seminar.

Special Suggestions, Critique, Wishes:

For further questions and proposals about the student course evaluation lehre@rwth-aachen.de.

Thank you very much for participating in the survey!
